## DECLARATION OF CONFORMITY

### CLIMAX

VIZETA s.r.l. with registered office in Via Campolongo, 14 - 35019 Tombolo (PD) Italy  
supplier of the CLIMAX tube

#### **Declares under its own responsibility that:**

The CLIMAX coated copper tube, specifically designed for the transport of refrigerants for the installation of Fan-Coil systems, is made of seamless, round copper tubes for water and gas in sanitary and heating applications annealed (R220) in Deoxidized High.

Phosphorus (DHP) Copper with a low carbon content, in compliance with EN 1057 standard.

The copper tube is coated with a tubular sheath of expanded polyethylene, covered with a tear-proof LDPE film.

The coating does not contain CFCs and HCFCs that are harmful to the environment.

This conformity is subject to full compliance with the applicable installation regulations.

This declaration is issued for permitted legal uses.
