

VIZETA

DECLARATION OF CONFORMITY

HOMETGAS

VIZETA s.r.l. with registered office in Via Campolongo, 14 - 35019 Tombolo (PD) Italy
supplier of the tubo HOMETGAS

Declares under its own responsibility that:

The HOMETGAS coated copper tube specifically designed for the construction of networks for the distribution of natural gas, is made with Deoxidized High Phosphorus (DHP) Copper.

Seamless, round tubes annealed (R220), for water and gas in sanitary and heating applications with a low carbon content, in compliance with EN 1057 standard.

The copper tube is coated with yellow PVC sheath with a smooth shape to ensure the protection of the tube, in compliance with UNI CIG 7129.

The coating does not contain CFCs and HCFCs that are harmful to the environment.

This conformity is subject to full compliance with the applicable installation regulations.

This declaration is issued for permitted legal uses.
